**The Nonprofit Advisory Council ("NAC")**, serving the nonprofit industry in Southern California, enhances our stakeholder success through the development of professionals serving the nonprofit market by bringing their skills, experience, and contacts to the Council. NAC identifies services most needed by nonprofit organizations, develops resources to meet those needs, and presents them to stakeholders in an educational and informational format.

The Nonprofit Advisory Council ("NAC") is not a partnership, quasi-partnership, joint venture, nonprofit organization. NAC is a group of individuals and entities joined together to provide information to the nonprofit community. NAC maintains a website for informational purposes only and provides newsletters and seminars for informational purposes only. Nothing in its website, newsletters, or seminars is intended as legal/professional advice in any of the areas covered by NAC members. Hiring any professional is an important decision and it should not be done based on general information contained on the website, newsletters, and seminars. Your viewing of the website or even using the information on the website, newsletters, and seminars does not establish any type of client relationship between you and any of the participants in NAC. Certain links on the website lead to resources located on servers maintained by third parties. NAC's website, newsletters, and seminar information is published as a service to clients and friends of NAC. The selections contained in the website, newsletter, or at the seminars should be viewed as a general summary and not as a substitute for legal, accounting, or tax consultation in any particular case. In addition, pursuant to applicable federal regulations, we are required to inform you that any information presented in the website, newsletter, or in written material is not intended to be used nor can it be used for purposes of (1) avoiding tax penalties or (2) promoting, marketing, or recommending to a third party, any transaction or matter addressed in NAC's website, newsletter, or seminar material.
